

FOR THE FIRST TIME IN THE UK
ERIC BAUMGARTNER
 PIANO WORKSHOP

Don't miss this opportunity to see the renowned composer, arranger, teacher and performer present an overview of the classic Willis Music piano methods

TIME-TESTED & TRUE

Satisfy your craving for timeless musical style blended with solid pedagogy! Willis Music is proud to be the publisher of pedagogical legends John Thompson and Edna Mae Burnam. Take a fresh look at their classic methods and rediscover why these courses have given literally millions of students the joy of learning to play the piano.

JAZZ UP YOUR STUDIO

Watch your students' eyes light up as they discover the joy of playing jazz! Willis Music offers exciting jazz instruction and repertoire to motivate and inspire students of all levels. We'll show you how to incorporate basic jazz concepts into your lessons in a fun and nonintimidating way – no experience required!
