

Yamaha Trumpet Comparison Chart

(student & intermediate)

Model	Finish	Bore	Weight	Lead pipe material	Lead-Pipe Configuration	Bell material	Bell Diameter	Mouthpiece	3rd Valve Ring	Case	Other	Price (Jan 2016)
YTR-2330	gold lacquered	medium large 11.65mm	medium light	yellow brass	standard	yellow brass	123mm	TR-11B4	adjustable	compact zip-up	no brace on tuning slide to reduce weight	£325
YTR-2330S	silver-plated	medium large 11.65mm	medium light	yellow brass	standard	yellow brass	123mm	TR-11B4	adjustable	compact zip-up	no brace on tuning slide to reduce weight	£382
YTR-3335	gold lacquered	medium large 11.65mm	medium	yellow brass	reverse	yellow brass	123mm	TR-11B4	adjustable	rectangular zip-up with back-pack	brace on main tuning slide 2 piece bell	£404
YTR-3335S	silver-plated	medium large 11.65mm	medium	yellow brass	reverse	yellow brass	123mm	TR-11B4	adjustable	rectangular zip-up with back-pack	brace on main tuning slide 2 piece bell	£462
YTR-4335G	gold lacquered	medium large 11.65mm	medium	gold brass	standard	gold brass	123mm	TR-11B4	fixed	rectangular zip-up with back-pack	2 piece bell	£484
YTR-4335GS	silver-plated	medium large 11.65mm	medium	gold brass	standard	gold brass	123mm	TR-11B4	fixed	rectangular zip-up with back-pack	2 piece bell	£542
YTR-5335G	gold lacquered	medium large 11.65mm	medium	gold brass	standard	gold brass	123mm	TR-14B4	fixed	hard case	2 piece bell hand finished	£722
YTR-5335GS	silver-plated	medium large 11.65mm	medium	gold brass	standard	gold brass	123mm	TR-14B4	fixed	hard case	2 piece bell hand finished	£795
YTR-6335	gold lacquered	medium large 11.65mm	medium	yellow brass	standard	yellow brass	123mm	TR-14B4	fixed	hard case	heavy-weight lead pipe	£1,214
YTR-6335S	silver-plated	medium large 11.65mm	medium	yellow brass	standard	yellow brass	123mm	TR-14B4	fixed	hard case	heavy-weight lead pipe	£1,257
YTR-6310Z	gold lacquered	medium large 11.3mm stepped	light	yellow brass	reverse	yellow brass	127mm	TR-14B4	fixed	hard case	Bobby Shew model stepped bore	£1,228

Silver plated finish - - -
 Gold brass bell - - - - -
 reverse lead pipe - - - - -
 Adjustable 3rd valve ring
 Fixed 3rd valve ring - - -
 Gold brass lead pipe - -

Silver-plate is harder wearing and produces a darker sound.
 Gold brass (or rose brass) bell gives a warmer sound due to the increase copper content.
 Reverse lead pipe offers less resistance and a bigger sound. The air moves more freely as the step is removed.
 The ring is adjustable to accommodate different sized hands. Ideal for young beginners.
 A fixed slide ring offers better security, feel and improved tone. Also the weight is reduced.
 Gives a warmer sound.

All Yamaha trumpets have Monel valves, which are hard wearing and resistant to corrosion
