

The NU1 combines the superb natural feel of a real piano action with the innovation of digital technology.

---

### **The Touch that Inspires**

Introducing the NU1, a hybrid piano from Yamaha that combines the traditions of an acoustic instrument with the innovation of digital technology. Featuring the same acoustic piano action used in Yamaha upright pianos, and a refined, compact design, the NU1 is the perfect choice to bring the renowned Yamaha sound to any home.

- The superb natural feel of a real piano action
- Experience the stunning sound of Yamaha's premier concert grand piano in the comfort of your home
- Alluring elegance that complements any room

### **Features**

#### **The superb natural feel of a real piano action**

The touch and feel of a piano is vitally important to any pianist, whether they're just starting out or playing at a professional level. The NU1 delivers an authentic playing experience that is almost indistinguishable from that of an acoustic piano. With the same action and natural wood keys as used in Yamaha's finest upright pianos, the NU1 offers a realistic feel that is sure to inspire.

## Features

### Experience the stunning sound of Yamaha's premier concert grand piano in the comfort of your home

The NU1 features sound carefully sampled from one of the finest instruments that Yamaha has ever made—the CFX full concert grand piano. To complement its sparkling highs and full-bodied bass, the NU1 utilizes newly-developed acoustic technology unique to Yamaha to reproduce the characteristic resonance felt when playing an acoustic piano.

### Alluring elegance that complements any room

The elegant simplicity of the NU1 blends effortlessly into any setting, adding an air of distinction without being imposing. Inheriting the superb sound and playability of the AvantGrand series of pianos, the NU1 offers the warmth and natural presence of an acoustic instrument in a stylish, compact form. (bench not included)
